DEPARTMENT OF JUSTICE

REVISED NOTICE OF LODGING OF PROPOSED CONSENT DECREE SECOND  
MODIFICATION  
UNDER THE CLEAN WATER ACT

On April 1, 2016, the Department of Justice lodged a proposed Consent Decree Second Modification with the United States District Court for the District of New Hampshire in the lawsuit entitled *United States, State of New Hampshire, and Conservation Law Foundation v. City of Portsmouth, NH*, Civil Action No. 09-cv-283-PB.

The Consent Decree Second Modification is a modification to the 2009 Clean Water Act Consent Decree that was entered into by the United States, State of New Hampshire, and the City. This Consent Decree Second Modification, signed by the original parties and intervenor-plaintiff Conservation Law Foundation, revises Portsmouth's schedule for constructing secondary wastewater treatment facilities that had been set forth in a 2013 Consent Decree Modification. The Consent Decree Second Modification also establishes enhanced reporting obligations and mitigation requirements designed to counter the harm to the Piscataqua River and Great Bay estuary caused by delayed implementation of secondary treatment.

The publication of this revised notice extends the period for public comment on the Consent Decree Second Modification. All comments must be submitted no later than thirty (30) days after the publication date of this revised notice.
